

Curriculum Vitae

Mario Listing

Albert - Ludwigs - Universität Freiburg

Abteilung Reine Mathematik

Eckerstraße 1

79104 Freiburg (Germany)

Phone: (+49) (0)761 203 5573

Fax: (+49) (0)761 203 5541

e-mail: mario.listing (at) math.uni-freiburg.de

Present

Postdoctoral position at the University of Freiburg.

Personal Data:

Born on August 16th, 1975, in Markranstädt (Germany).

Citizenship: german.

Marital status: single.

Research interests

Riemannian and spin geometry, global analysis, applications of differential geometry in topology

Education

May 2003: Dr. rer. nat. in Mathematics (grade: summa cum laude), University of Leipzig, Dissertation: "Rigidity of Hyperbolic Spaces", Advisor: Prof. Hans-Bert Rademacher

2000–2003: PhD Student at the Graduate College *Analysis, Geometry and their Interactions with the Natural Sciences*

April 2000: Diplom in Mathematics (grade: 1,2), University of Leipzig, Thesis: "Konforme Einstein Räume", Advisor: Prof. Hans-Bert Rademacher

1997–2000: Study of (pure) Mathematics at the University of Leipzig

1995–1997: Study of Mathematics and Economics at the University of Leipzig

Scholarships

October 2003 – September 2005 supported by the *German Research Foundation* as a postdoc in Stony Brook

May 2003 – September 2003 supported by the Graduate College *Analysis, Geometry and their Interaction with the Natural Sciences* as a postdoc

May 2000 – April 2003 supported by the Graduate College *Analysis, Geometry and their Interaction with the Natural Sciences* at a doctoral position
